## UPDATE

### PAVING PROJECT WORK CONTINUES ON SR-38

**SAN BERNARDINO** – The California Department of Transportation (Caltrans) is continuing a project to mill and overlay current pavement and improve ramps per the Americans with Disabilities Act (ADA) on State Route 38 (SR-38) between Agate Street in Mentone to Valley of the Falls Drive, Forest Falls (post mile 15). The project is expected to be completed in late 2018.

**Paving will begin on October 8th, 2018.** During the project there will be a one-way-reversing traffic control. Motorists may expect delays due to traffic control between the hours of 5:00 a.m. and 3:00 p.m., Monday through Saturday.

**Please reduce your speed in the work zone and for the work crews.** Thank you for your patience.

***Know before you go!*** To stay on top of roadwork in the Inland Empire go to [www.caltrans8.info](http://www.caltrans8.info) and sign up for commuter alerts. View traffic conditions at <http://quickmap.dot.ca.gov> and lane closures at <https://lcswebreports.dot.ca.gov>.
